**DATA PROTECTION**

The Data Protection Act 2018 states that those who record and process personal information must be open about how the information is used and must follow the eight principles of ‘good information handling’.

These principles state that data must be:

- Fairly and lawfully processed
- Processed for limited purposes
- Adequate, relevant and not excessive
- Accurate
- Not kept for longer than is necessary
- Processed in line with your rights
- Secure
- Personal data will not be transferred outside the European Economic Area, unless that country provides an adequate level of protection.

By law, Forest Spirit Archers have to keep to these principles.
